

# MAKEN

24-inch

## Kiosk POS

KP-2400

- 24-inch HD touch screen
- Built-in scanner and printer
- Option: Camera
- Mounting Options: Countertop, floor standing, wall mounting

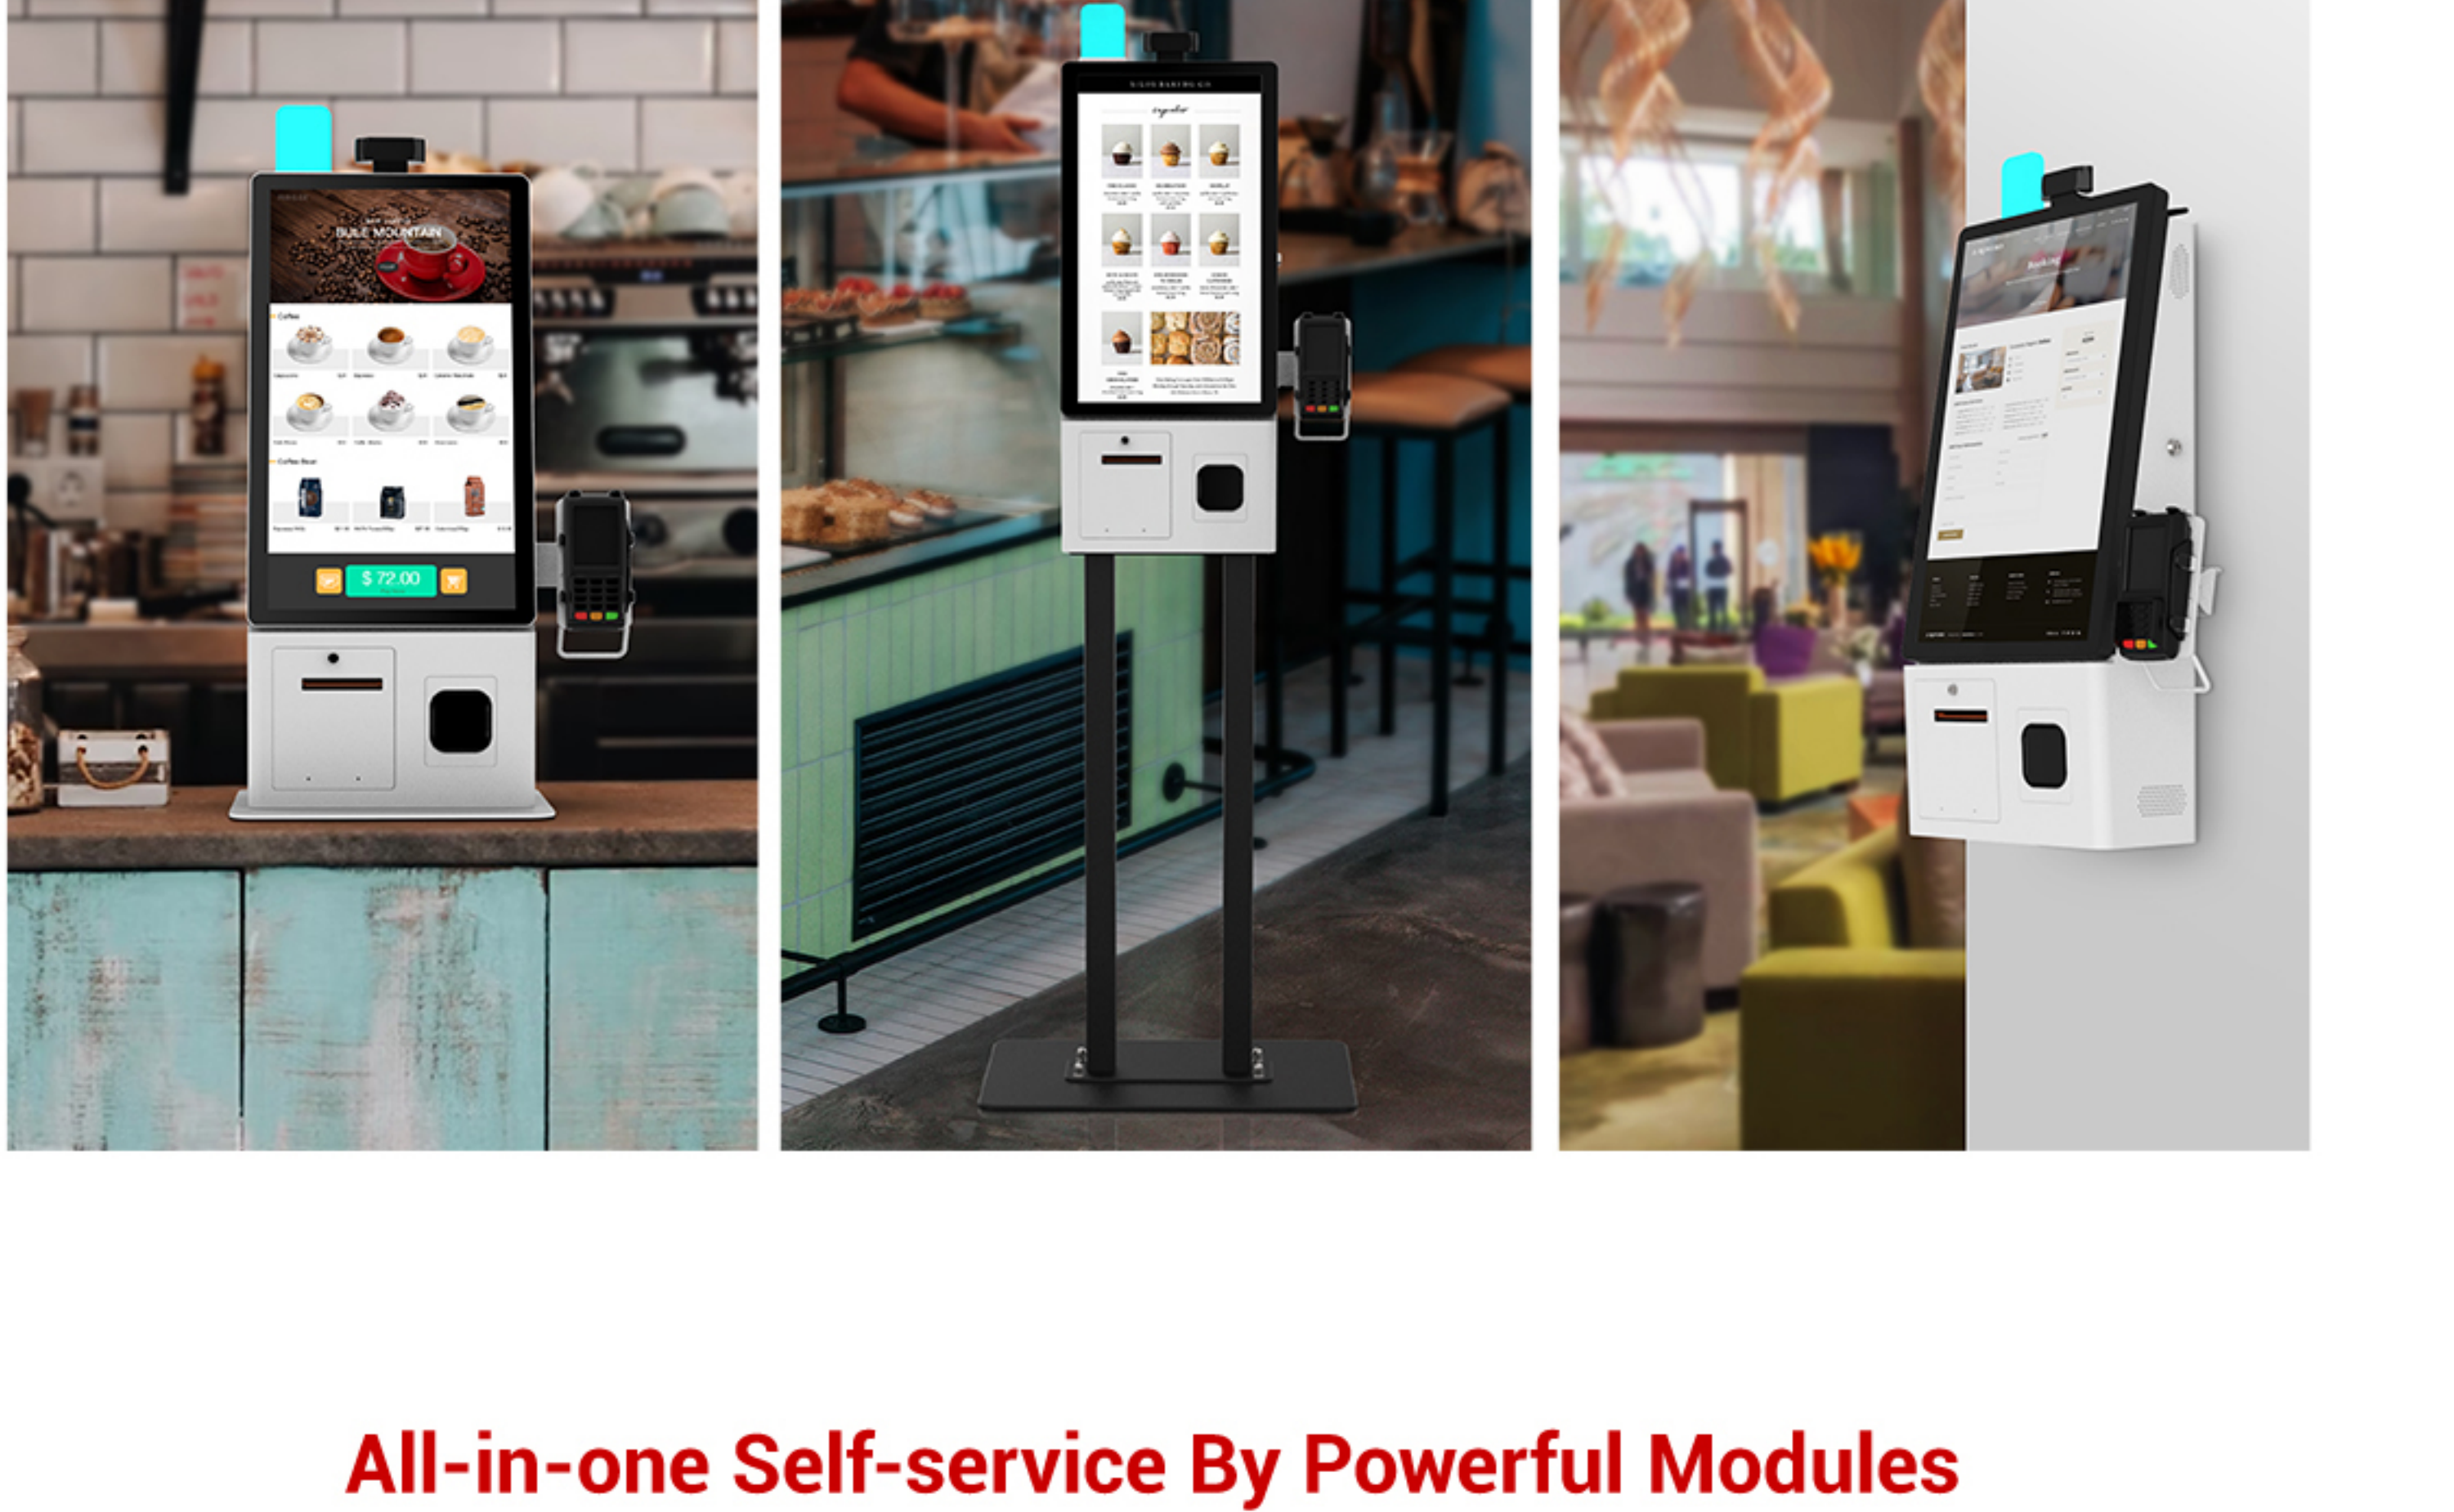

### FEATURES

### Compact But Smart

Compact and exquisite in appearance, efficient in saving space. Available in three styles: desktop, floor-standing, and wall-mounted, catering to diverse needs in various merchant scenarios. Easy and convenient installation, operation, and maintenance.

### All-in-one Self-service By Powerful Modules

The machine integrates powerful application modules, supporting multiple functions such as touch screen interaction, scanning of goods, card swiping or electronic payments, and printing receipts. This makes self-service more efficient and convenient.

### Side-opening Door For The Screen

The inclusion of a side-opening door for the screen enhances the convenience of daily maintenance, inspections, and upgrades.

### Exquisite Angle Design

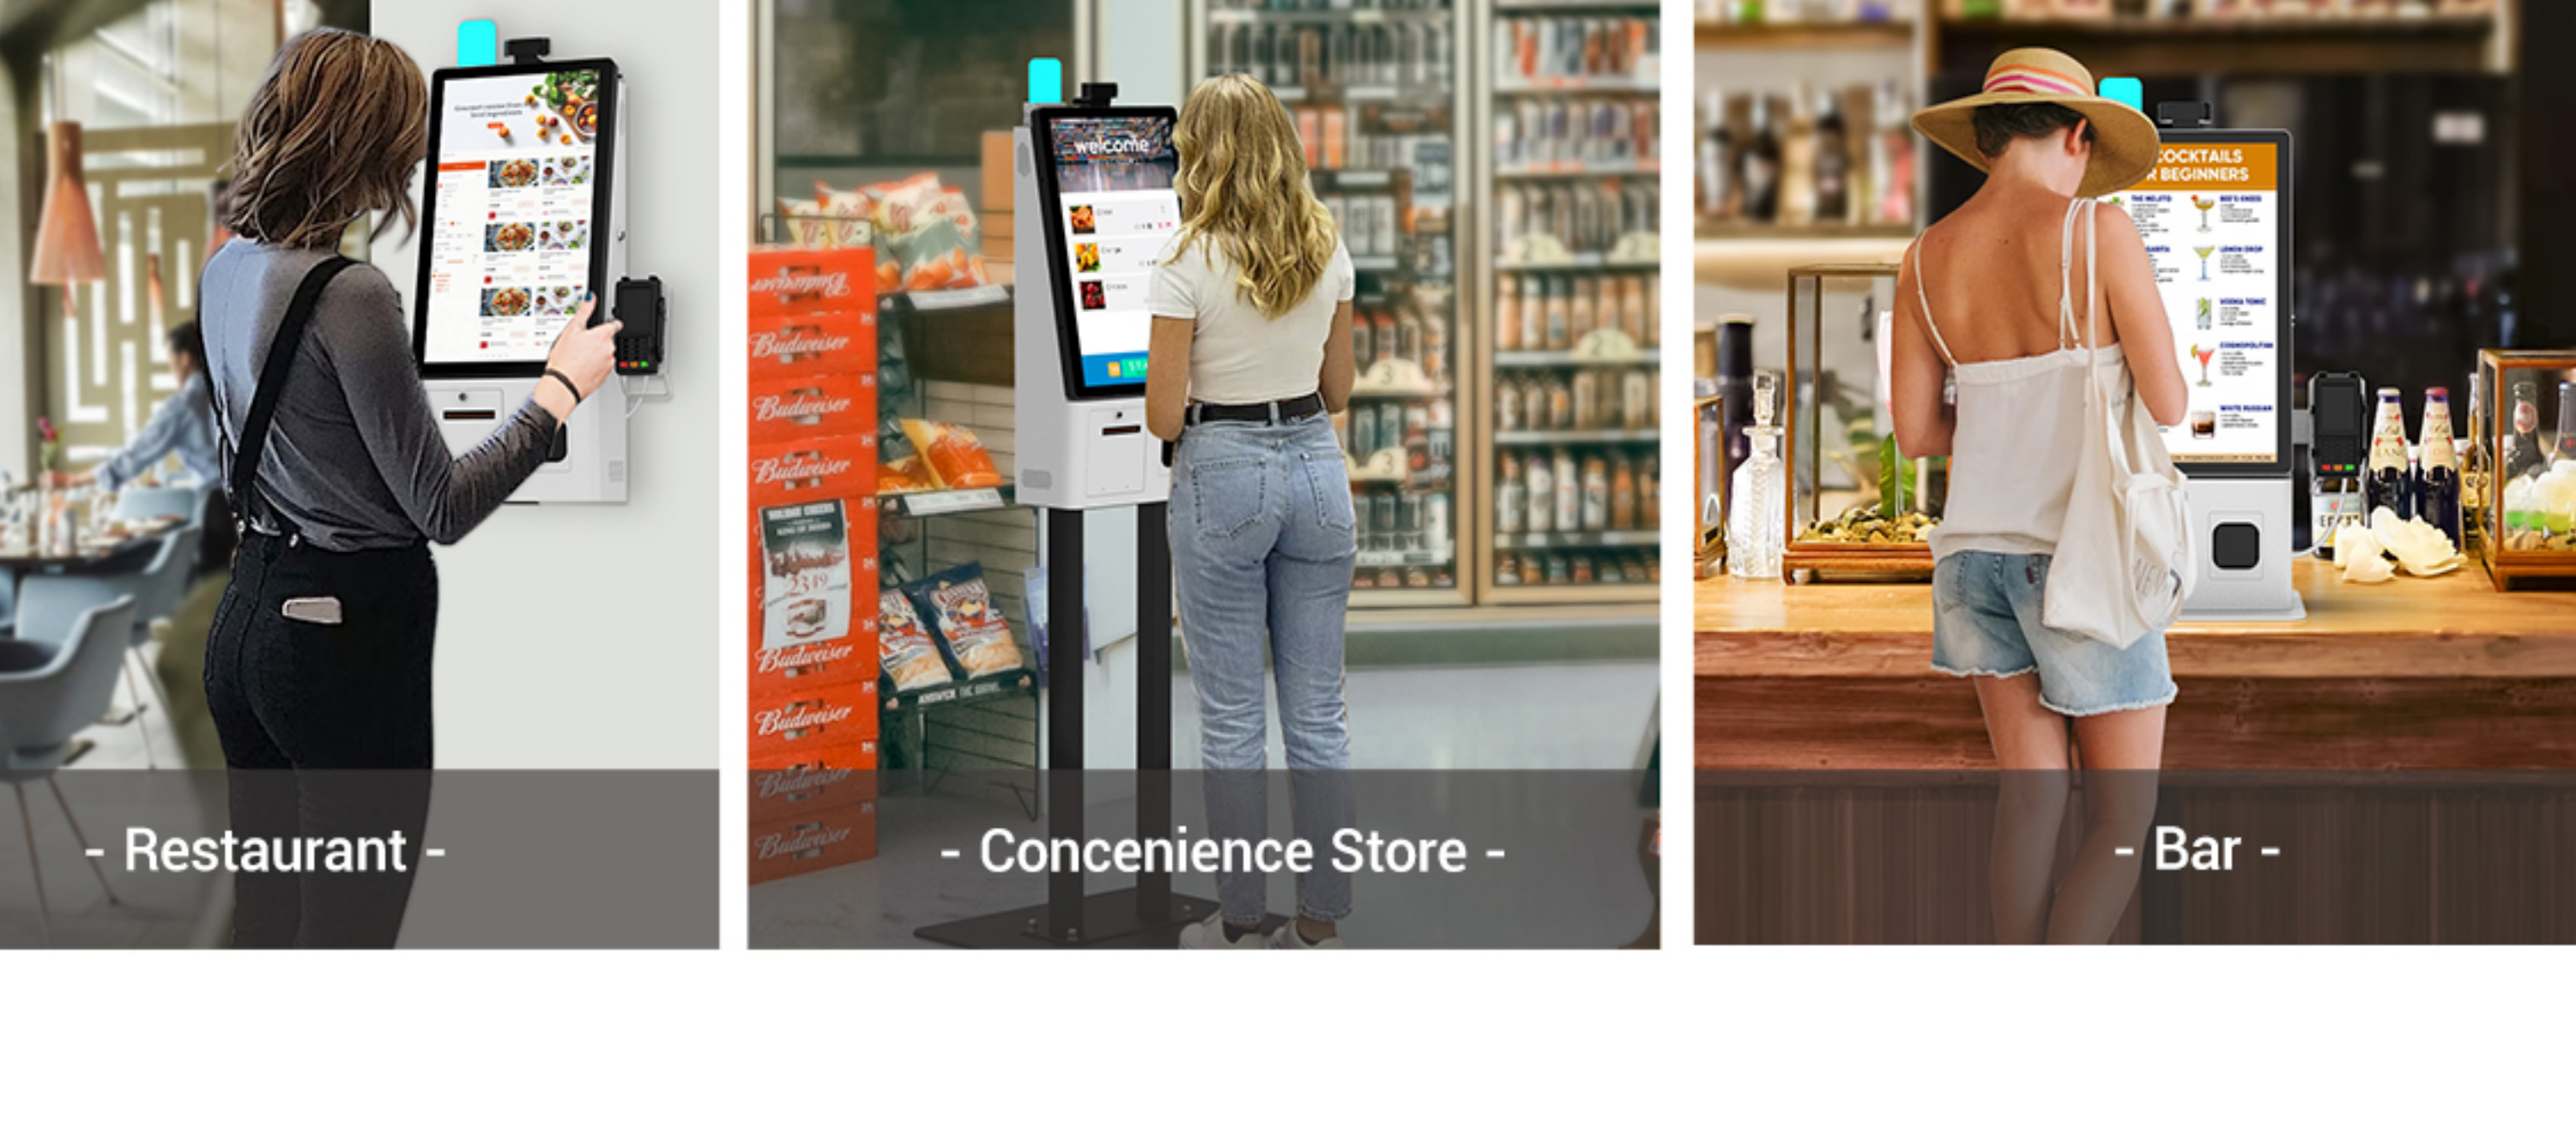

The subtle inclination of the screen and body adheres to ergonomic design, imparting a refined aesthetic to the device. This not only improves the comfort of screen operation but also facilitates more convenient and efficient scanning.

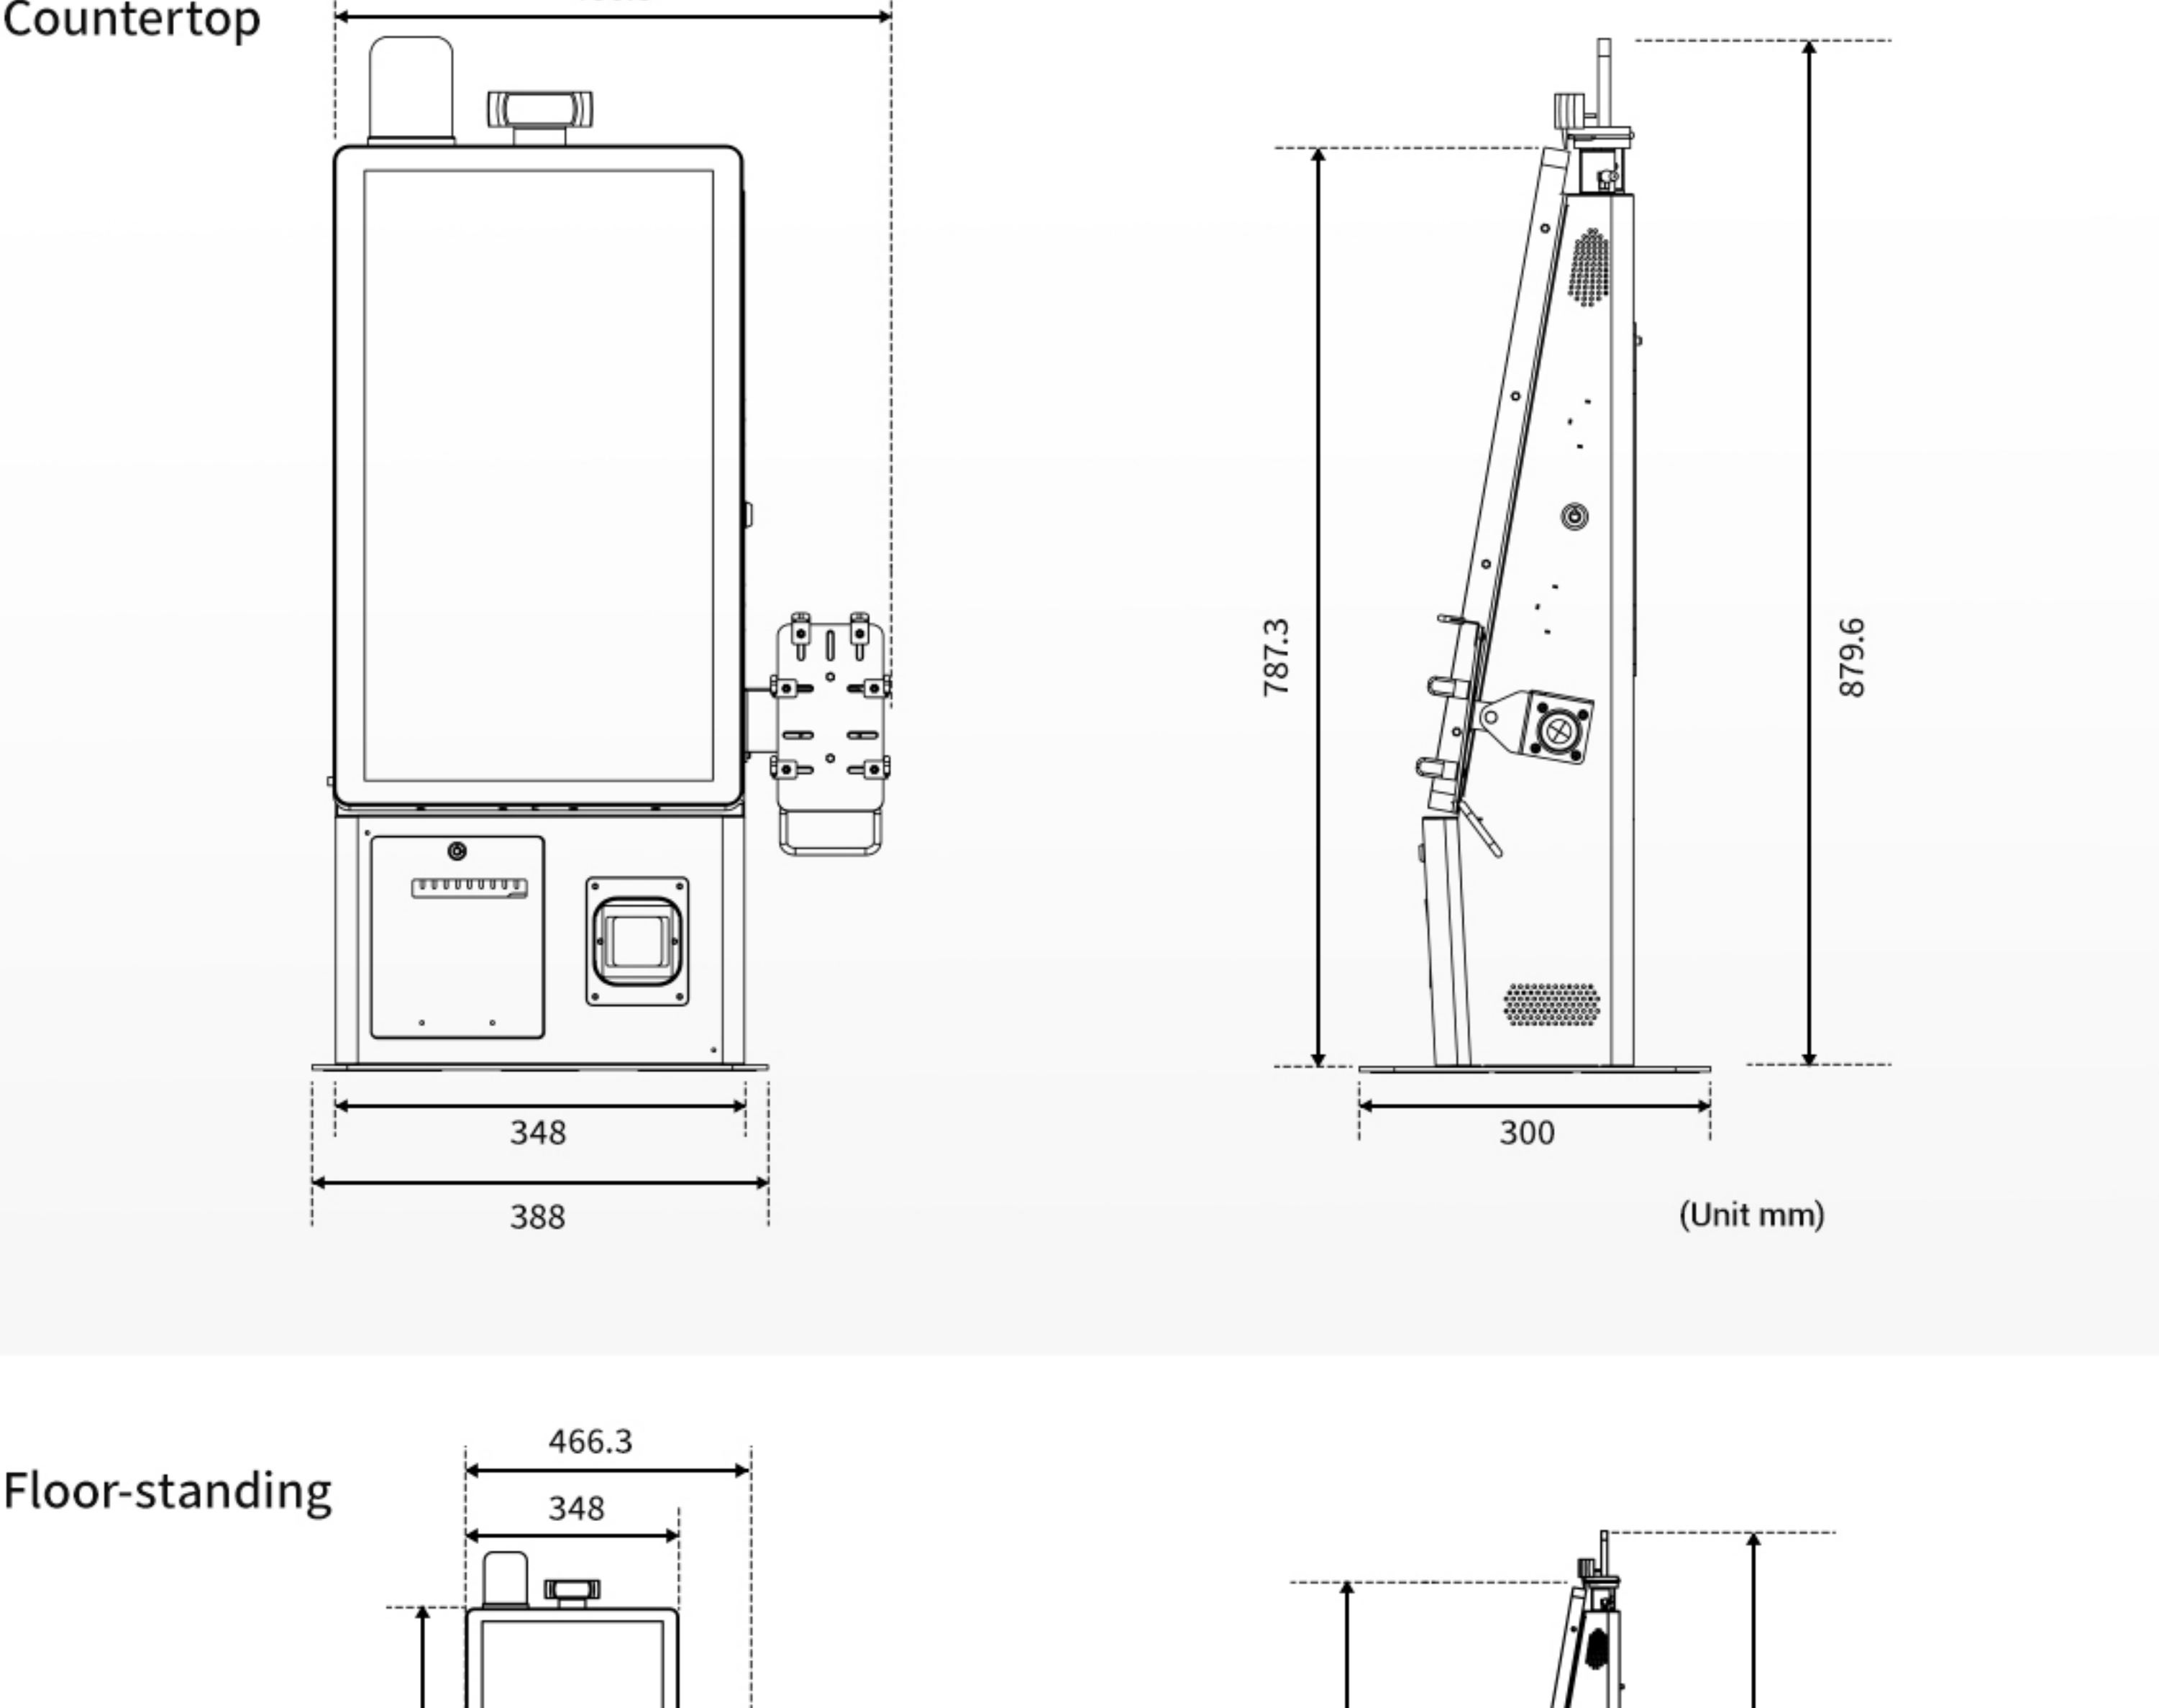

### Flexible Component Configuration

Optional functional modules offer great flexibility, enabling easy upgrades to achieve the optimal combination of features tailored to meet your personalized needs. Examples include camera, NFC, etc. Other configurations are customizable.

### APPLICATION

### SPECIFICATIONS

OS Support			
OperatingSystem	WIN10 (trial version)	Android 11
